NEW HORIZON COLLEGE OF ENGINEERING (7.58cgpa) Bachelor of Engineering in Computer Science And Engineering	Bengaluru, India Dec 2023-Present
SANJAY MEMORIAL POLYTECHNIC (7.84cgpa) Diploma	Sagara, India June 2020-July 2024
MORARJI DESAI RESIDENTIAL SCHOOL (74.4%) SSLC	Bhadravathi, India June 2015-July 2020

SKILLS SUMMARY

- **Languages:** Python, Java, HML & CSS
- **Frameworks:** Flask, Django
- **Technical Skills:** MySQL, Figma
- **Platforms:** Visual Studio Code, Android Studio
- **Soft Skills:** System Knowledge, Strong Stakeholder Management, Patience

Motivated and detail-oriented Computer Science and Engineering student with hands-on experience in Python, Java Flask and database management. Developed an **exam preparation web application** with advanced search and document management features. Passionate about **software development, cloud computing, and AI integration**, with certifications in **AWS, IBM SkillsBuild, and AI Integration**. Successfully participated in **Flipkart Grid Hackathon** and served as a **campus ambassador** for **IIT Bombay and IIT Delhi**. Enthusiastic about **wildlife photography and exploring new places**.

PROJECTS

EXAM PREPARATION WEB APPLICATION

- Designed and developed a web application that helps students prepare for exams through interactive quizzes, study plans, and personalized learning paths.
- Utilized **Database Management System (DBMS)** to store, manage, and retrieve user data, including study materials, quiz results, and progress tracking.
- Integrated **Data Structures and Algorithms (DSA)** for efficient quiz generation, sorting study materials, and optimizing search and retrieval functions for faster response times.

TOURING APPLICATION

- Created a comprehensive tour application that enables users to plan trips, chat with friends, and access location-based services.
- Integrated **Google Maps API** for interactive maps, enabling users to explore destinations, view routes, and find points of interest.
- Utilized **cloud technology** for seamless data storage, user authentication, and real-time synchronization across devices.

ACHIVEMENTS AND CERTIFICATES

ACHIVEMENTS:

- **Campus Ambassador Program:**
- I. **E-Cell, IIT Bombay** : Selected as a Campus Ambassador for E-Cell, IIT Bombay, promoting entrepreneurship through event management, networking, and strategic campus initiatives.2021

I. **Tryst, IIT Delhi** : Selected as a Campus Ambassador for Tryst, IIT Delhi, facilitating technical events, outreach initiatives, and student engagement in innovation-driven activities.2022

CERTIFICATES:

- **DSA Boot Camp Certification** – Unstop
- **Journey To Cloud** – IBM
- **AI & USES** – Be10x

HACKATHON:

- **Flipkart Grid Hackathon** : Participated in Flipkart GRiD Hackathon, solving real-world engineering challenges through innovative problem-solving in software development and technology.
